NO: 533, April 25, 3 p.m.

PRIORITY

SENT DEPARTMENT 533; REPEATED INFORMATION TRIPOLI 473.

Understand from Parker Department intended FY 1959 aid offer DEPTEL 457 to include special-purpose funds paid autumn 1958 from US FY 1959 appropriations.

My presentation Prime Minister based on belief offer referred special purpose funds payable during 1959, since obviously no advantage to be gained from concession already made. Department will recall arrangement last year included USG agreement unrestricted use for buggetary purposes of $2.8 million special-purpose funds (Tripoli's 939 May 22, 1958).

Prime Minister has requested USG offer be formally presented as exchange notes. Plan do so April 30, with understanding offer applies special fund payment due autumn 1959 (from US FY 1960 funds).
